Team Building through Murder Mystery

By immersing you in our light-hearted yet challenging murder mysteries we can help with employee engagement in a fun, collaborative way

Choose from our unique **InterActivity**, a murder mystery presented on screen and facilitated by a member of our team, or our **actor led events**, performed in real time and led by our experienced team of characters

By working together to solve the crime, your team can explore and develop a huge range of skills, unlock the secrets of team collaboration and have great fun playing detective!

"A really enjoyable session. A fun way to look at our strengths and weaknesses both individually and as a team -thank you!" Lisa, PIP Croydon
